A Group to Solve the Complexity

At ES-KO Group, we are driven by a commitment to innovation, integrity, and sustainability. With over 70 years of experience, we deliver end-to-end logistical solutions — from global supply chains to last-mile delivery — ensuring our clients receive reliable support wherever they operate. By fostering local employment and strengthening economies in the most demanding geographies, we create lasting value for both our clients and the communities we serve.

Values

- Resilience** We embrace change and adapt to evolving circumstances. Our agility and ability to pivot quickly enable us to provide effective solutions in a rapidly changing world.
- Quality & Safety** We adhere to the highest safety standards and prioritize the well-being of all stakeholders.
- Integrity** We conduct ourselves with the highest ethical standards. Honesty, transparency, and accountability are at the core of everything we do.
- Innovation** We continuously seek innovative ways to improve our services, optimize efficiency, and provide solutions that meet our clients' evolving needs.
- Collaboration** We work closely with our clients, partners, and local communities, fostering strong relationships.
- Customer-Centricity** We listen attentively to their needs, tailor our solutions to their unique challenges.

Our Expertise: Remote & Risky made Reliable

With a deep-rooted legacy in catering, procurement, camp construction, risk management and marine services, ES-KO Group is driven by a commitment to enhancing human well-being, health & safety, and productivity in the world's most demanding environments.

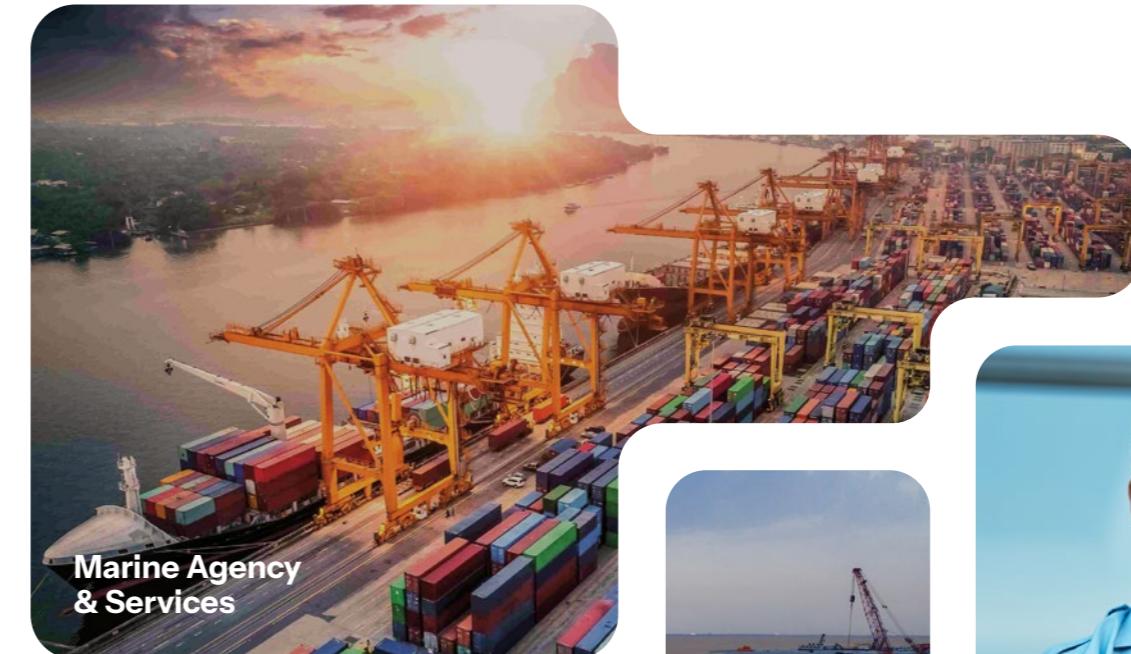

Catering & Facility Management

High-quality meals are essential for those performing physically demanding work. We ensure every meal supports energy, health, and performance. Alongside catering, we deliver a full spectrum of camp management services (laundry, cleaning, pest control, landscaping) designed to enhance comfort and operational efficiency on site.

Procurement & Supply Chain

We provide seamless logistics solutions encompassing transportation, freight forwarding, customs clearance, and warehouse management – ensuring the reliable, on-time delivery of your goods anywhere in the world, even in the most challenging locations.

Marine Agency & Husbandry Services

We excel in providing tailored husbandry and victualling services to support your crew, vessels, and cargo during port calls, ensuring efficiency, safety, and smooth maritime operations.

Risk Management & Security Services

We deliver custom solutions through a full range of services, including risk assessments, security planning, and crisis response. Each solution is designed around our clients' specific operational context. We conduct in-depth risk analyses to ensure all strategies are based on accurate, current, and actionable intelligence.

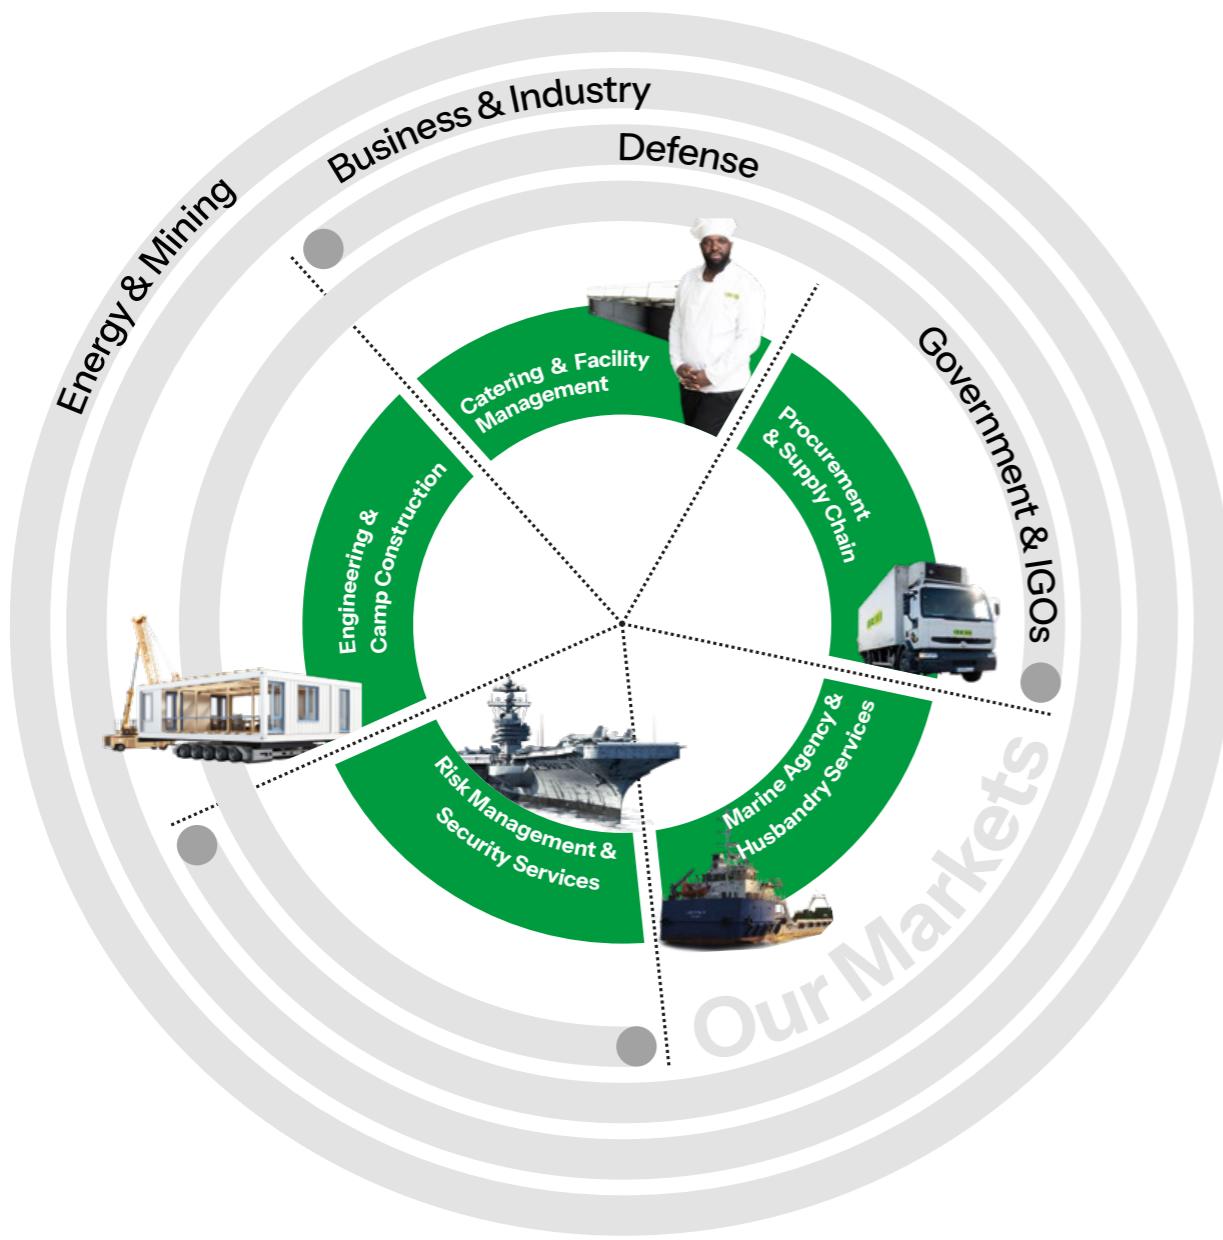

Engineering & Camp Construction

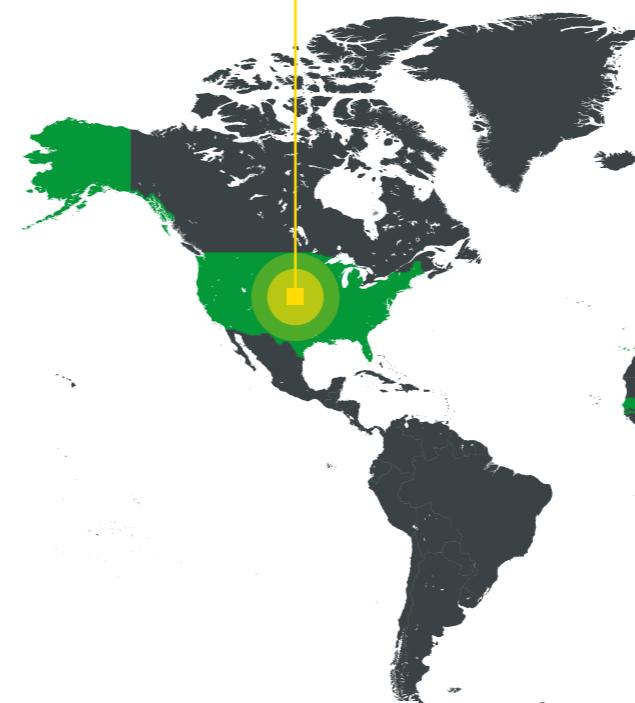

We bring comprehensive turnkey construction solutions, ensuring the rapid, secure, and fully equipped establishment of camps worldwide. Our expertise spans the entire process, from conceptualization to completion, delivering integrated engineering solutions and state-of-the-art camp facilities.

In Depth Experience. Proactive Solutions. Modern Capabilities.

With a longstanding heritage in catering, procurement, camp construction, risk management and marine services, the ES-KO Group places safety, efficiency, and reliability at the core of its operations. We excel at navigating complexity and delivering tailored solutions that empower organizations across these core sectors: Government and IGOs, Defense, Energy and Mining, Business and Industry.
